Step-By-Step Instructions

Heart:

1-Start with the white side of the paper facing up. Fold the paper in half vertically, then unfold it to create a center crease.

2-Fold the paper in half horizontally, then unfold again.

3-Fold the bottom edge up to meet the center crease.

4-Turn the paper over.

5-Fold the bottom edges diagonally upward so they meet the vertical center crease.

6-Turn the paper over.

7-Fold the top edges diagonally downward to meet the vertical center crease.

8-Fold the top flap down, leaving the white triangles on the sides unfolded.

Continue folding the flap down while gently lifting the white triangles to avoid creasing them.

Tip: To keep everything neat, hold the bottom layers in place with your fingers when folding the flap down.

9-Fold the white triangles inward along the dotted lines.

10-Fold all four top corners downward to meet the crease created in Step 8.

11-Fold the top two corners down to meet the edge created in Step 8.

12-Turn the paper over.

13-Your origami heart is completed.

NOTE:If you are a beginner, then use Kami paper to make origami. While for experts, You can use Origamido paper, Tant paper or double tissue paper
